**MINA REAL**  
 100% PURO DE AGAVE

Oaxaca is home to Mexico's most revered mezcal, where our distillers are now in their tenth generation of hand-crafting the iconic spirit.

For Mina Real Mezcal, we have used a distillation method that highlights what we're most proud of... ripe, aromatic agave grown in highland volcanic soils and double distilled in unique ceramic pot alembic stills.

Mina Real Mezcal presents a balance of flavor and character, simultaneously nostalgic while remarkably approachable. Savor our highland terroir and unique complexity as you explore this legendary spirit from Santa Catarina Minas, Oaxaca. ¡Salud!
